## **What is Homeopathy?**

Homeopathy is a scientific system of healthcare that activates the body's healing processes in order to cure disease naturally, gently, and promptly. Homeopathy is a natural pharmaceutical science that uses very small or infinitesimal doses of substances from the plant, mineral, or animal kingdoms to activate the body's nervous system to initiate the healing response.

The word homeopathy is derived from the Greek *homoios* meaning similar and *pathos* meaning suffering.

The German physician and chemist Dr. Samuel Hahnemann founded the science of homeopathy in the early 1800's. While performing research into the toxicological effects of the medicines of this time, Dr. Hahnemann discovered that a specific dilution of a substance would remove the symptoms that substance was capable of evoking. Though numerous experiments, he advanced the theory that "likes are cured by likes", and today it is a verified law of Pharmacology, The Law of Similars.

For example, if one drinks too much coffee the mind races and prevents sleep; the nervous system gets on edge, and trembling may even result. A specifically prepared dilution of coffee will gently and promptly reverse these types of symptoms.

You will also see application of the Law of Similars in genetics, physics, chemistry, and immunology. In physics, opposite poles of a magnet attract while similar poles repel. By placing similar poles next to each other, a weakened magnet will be recharged/regenerated, or restored by the Law of Similars.

## **New Sun's Natural Medicines cont...**

In every dose of New Sun's Natural Medicines, you receive three equal volume potencies (or strengths) of each ingredient (10x, 30x and 100x). In general, the lower 10X potency works at the more superficial levels of bodily function, such as skin and hair health. The middle potency (30X) works more in the realm of our glands and organs. The mental and emotional functions are best enhanced with the higher (100X) potency.

These potency ranges have been clinically proven to provide a higher percentage of results, faster results, and a higher percentage of actual cures. You will find most companies only offer low potencies.

### **Why Choose New Sun's Natural Medicines?**

***FAST ACTING:*** Symptomatic improvement can often be noticed within 30 seconds to just a few minutes. Homeopathy's unique absorption into the sublingual nerve pathway is the fastest delivery known.

***EASY TO TAKE:*** Our one-hand pump spray is the fastest, easiest, and most accurate dosage delivery system available. New Sun Health Natural Medicine conveniently fits into a pocket or purse for easy travel. No more wrestling to open or close bottles, no measuring, no spilling, no more fumbling with blister packs or eye-droppers, no touching, no contamination, no anti-doting, no problems taking New Sun Health Natural Medicines. Once you've tried our pump spray delivery system, you will never want to go back to the old cumbersome ways of taking homeopathic remedies.

**DOSAGE: BE FLEXIBLE TO BE SUCCESSFUL!**

Since our body has unique requirements, optimal dosages can vary with each individual. For general use, one adult dose 3 times per day is a 60-day supply. Although you may start with a dosage more than 3 times a day, you will lessen the dosage as symptoms improve and finish with a dosage of less than 3 times a day. You need not worry about excess dosing producing any toxic side effects. The important thing is to establish the appropriate dose until results occur and vary the dose according to symptomatic change. If there are no results, gradually increase the dose frequency until symptoms begin to clear. As symptoms do begin to clear, reduce the frequency accordingly.

<b>Crisis or First Aid</b>	<b>Acute or More intense Symptoms</b>
<b>Every 10 minutes to every hour</b> , depending on severity, until symptoms are lessened, then slowly reduce dosage as symptoms continue to clear.	<b>4 – 8 Times Daily.</b> After initial first aid or crisis period, you can move to the 4-8 times daily dose. If no change is noticeable within 1 – 3 days, consider adding other related remedies.
<b>Examples:</b> Injury with severe pain, migraines, asthma attacks, colic, fever, earaches, insect stings, emotional traumas	<b>Examples:</b> Hay fever, sinus, back pain, cold, flu, cough, mood changes, smoke control, appetite control and stress
