New Return Policy for All New Sun Members

Return Policy

It is your responsibility to inspect your order for customer satisfaction upon receipt. **No corrections, refunds, or exchanges after 30 days from the date of purchase. All returned items must be sealed in original packaging and are subject to restocking fee of 20%.** For any items being returned due to a quality issue or an error on behalf of New Sun, the customer will be reimbursed any applicable shipping charges and / or the cost of the product.

For any returns where New Sun is not at fault, the customer may be credited the amount of the product minus a 20% restocking fee. The customer is responsible for the return shipping.

How to Return a Product

Before returning any product to New Sun, Inc., **you must call and request a Return Authorization Number (RA#).** You must also provide our customer service associate with the reason for the return, the invoice number, and the date of the purchase. The RA# must be written clearly on the top of the package to be returned. **Once an RA# is assigned, the product must be postmarked for return within 14 days.**

We will be unable to refund the purchase price of any used water systems. Only unopened boxes will be accepted for return.

Backorder Policy

From time to time New Sun may be out of stock of an item. If this is the case, you may have the option of having that item put on backorder. When an item is on backorder, it has been purchased in advanced with the understanding that it will be shipped when it becomes available to sales inventory. This must be done through one of our sales associates.

Once the backordered item is received into our sales inventory, the member is notified and asked if they want to add any other items to the shipment which contains the back order. **The packaging and handling fee will be half the normal fee for the shipment containing the backordered item.**

ADD-ON to Orders

New Sun allows one add-on to an order at no charge, any additional add-ons will have a charge of \$4.00 packing and handling fee. **No add-ons can be processed after 2:00pm EST.**

New Sun Compensation Plan

Retail Sales

Anyone who signs up as a member of New Sun can buy directly from New Sun at member prices. Any member can resell product they have purchased to others at the suggested retail price. The retail profit you make is one of the largest in the industry.

Payback on Bonus Volume

To become a New Sun Manager you must accumulate at least \$300 in bonus volume (bv) during a calendar month. For each calendar month that you achieve manager status you will receive the following payback on your bonus volume for that month.

\$300 - \$899 = 20%	\$1,500 - \$2,499 = 28%
\$900 - \$1,499 = 25%	\$2,500 and up = 30%

Bonus Overrides

You are compensated for each manager in the first six levels of your downline based on their accumulated bonus volume. Below are the percentage paybacks that you will be compensated for each manager based on their level in your downline organization .

6% on your first level manager	2% on your fourth level manager
8% on your second level manager	1% on your fifth level manager
4% on your third level manager	1% on your sixth level manager

Car Allowance Program and Leadership Ranking

New Sun wants to help you make your car payment! Read below to see how you can earn more and achieve leadership rankings.

Attain **District Manager** status for each calendar month that all of the following is achieved:

Manager status.

Rank Advancements cannot be obtained thru BV transfers to attain National & Executive Director ranks. These are prestigious ranks that need to be attended by people who buy directly from New Sun, Inc. To obtain these ranks, people need to be working to develop new managers who buy directly from the company. The bulk of their volume must be ordered from the company. Small BV transfers are permitted to assist you in developing these managers. **All BV transfers must be called in by 2:00pm EST. of the last day of the month.**
